DON'T DREAM IT, BE IT!

I am tired of tears and laughter, And men that laugh and weep; of what may come here after For men that sow and reap. I am weary of days and hours, Blown buds of barren flowers, Desires and DREAMS and power and everything but sleep.

GRAND
PRIZE

CLASS OF '81 VICTORIOUS AGAIN!

The "Class of "81" has set a new trend for their annual Homecoming celebration, as they captured the Grand Prize for having the best float for the third year in a row. The seniors also won the award for having the Best Expressed Theme. Other honors were given to the Junior Class for "Best Effort"; to the Sophomore Class for "Best Constructed Float"; and to the Freshman Class for "Most Original Float".

Also, the football team celebrated their Homecoming with a stunning 28-6 victory over Southgate Schafer. The Queen was Patty Sterling, and her court consisted of seniors: Lauren Ham, Janet Johnson, Lisa LaRou, and Nancy Peterson. Juniors Maggie Tyler and Lauri Turzewski as well as Sophomores Kathleen Barlow and Colleen Welsh rounded out the Court.

A DAY FULL OF MEMORIES

Homecoming is a time for parades, floats, pep rallies, football games, and, of course, a queen! However, it is also much more than this. It is a time for alumni to recall the memories of their high school days. For the present Riverside students, their time will soon come -- the time when their current activities will fade into cherished memories of the past. Indeed, Homecoming is a time of memories: some of which are positive, some negative. In any case, these students' present will soon lead to a rich future just as their past molded into the present. The floats pictured here are just a small part of that untrapped future which is yours for the asking. Go for it seniors!

FACES OF JOY

The Riverside Marching Band not only marched in the Homecoming parade, but also performed in a pregame and halftime show during the football clash with Schafer. The many early morning and late night rehearsals paid off as they permormed well. The new band director, Mr. Greg Nielsen, has contributed greatly to this enthusiasm and dedication of the band. The beginning foundation of the band has been built and now the hope is that this trend will continue in the near future. The enthusiasm has been overwhelming and the students' response to extra work and effort after school has been equally encouraging. Innovations and changes have also been planned by the band for the band room. Indeed, this attitude is one which should be imitated and applauded by all Riverside students. Indeed, the Rebel Marching Band does "do it better"!

I held my breath
With my eyes closed
I went insane,
Like a smoke ring day

But you know me,
And I miss you.

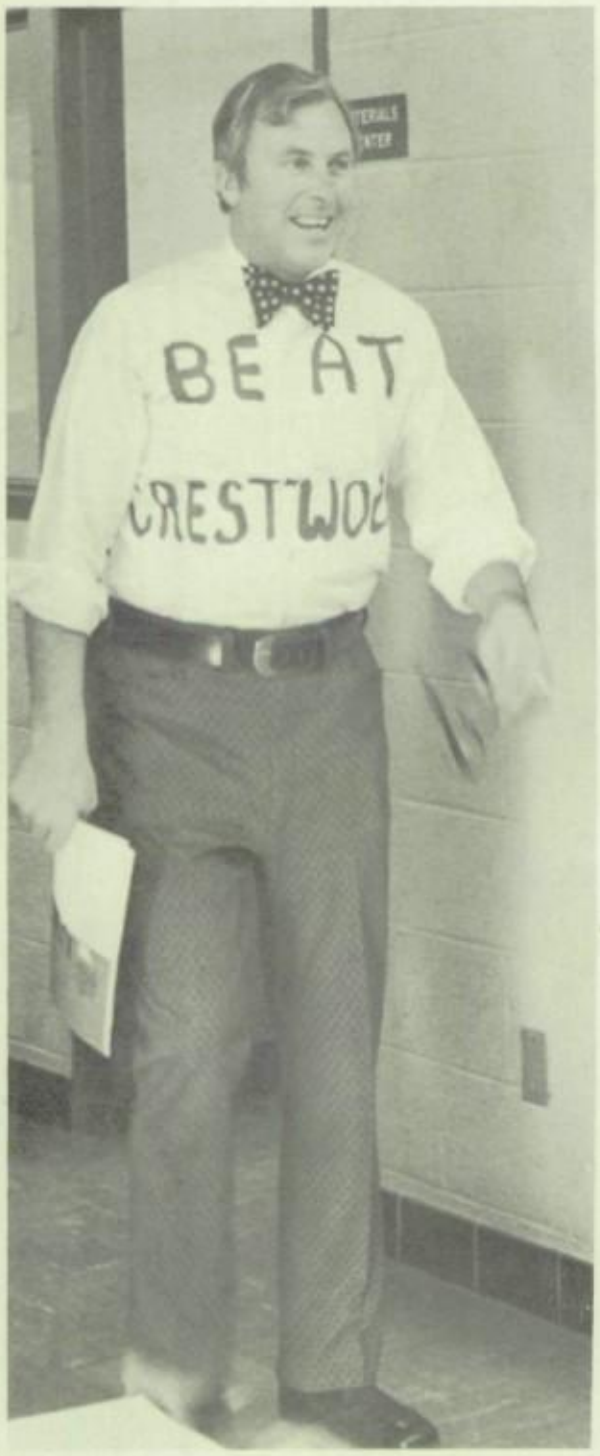
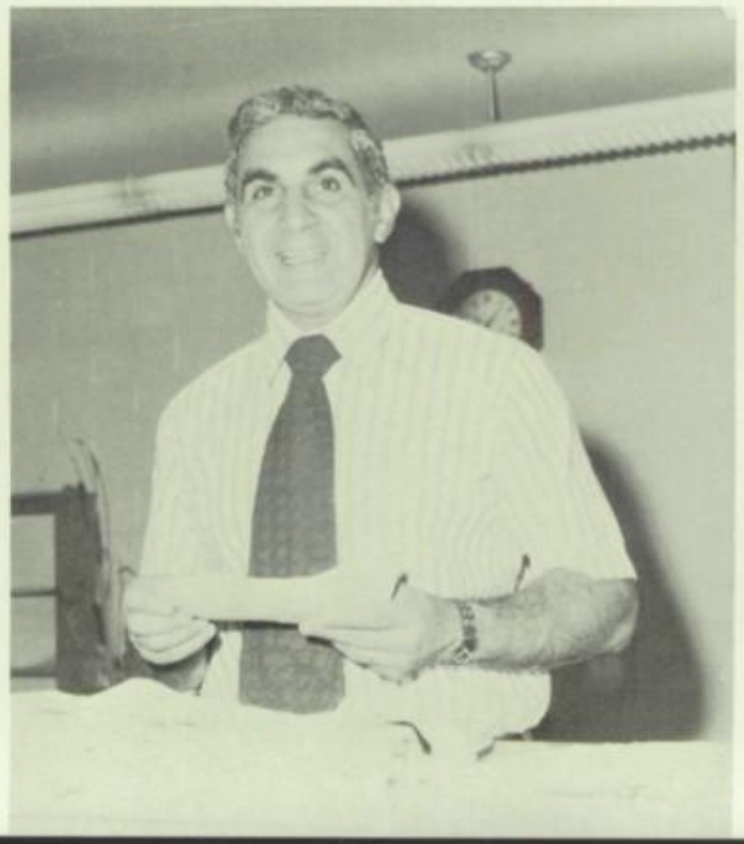
ADMINISTRATION REMEMBERS THE PAST





CENTRAL OFFICE MOLDS DISTRICT

Superintendent of Schools Earl D. Gabriel is a calm, composed, and charismatic man. He describes the third floor board offices that surround him as the main nerve center of the school district. His job involves leadership, staff supervision and administration, as well as public relations and dealing with the board. Mr. Gabriel has been Superintendent since 1977. Before that time, he worked for Science Research Associates. He also has spent 18 years on the school board in North Dearborn Heights.

The Business Manager for our district is Mrs. Kay Greene. Mrs. Greene is employed by the school board and works under the direction of the Superintendent. Her job is to develop and coordinate the schools' 3.5 million dollar budget. Food services, transportation, and payroll all come under her duties. She has been here since 1977.

The Special Services Office offers many different services to students. Joan Ransom is the Special Programs' Coordinator. She applies for federal funds which are needed for programs such as the CPC. Gladys Klein is the districts' social worker. She assists students that may have trouble in school adjustments. Jerilynn Dorow is the districts' psychologist. She works with school personnel to help students that have academic difficulties achieve their educational potential. Barbara Bowen is the Curriculum Coordinator and Media Specialist. Monica Doig and Mary Cherrie are the secretaries.

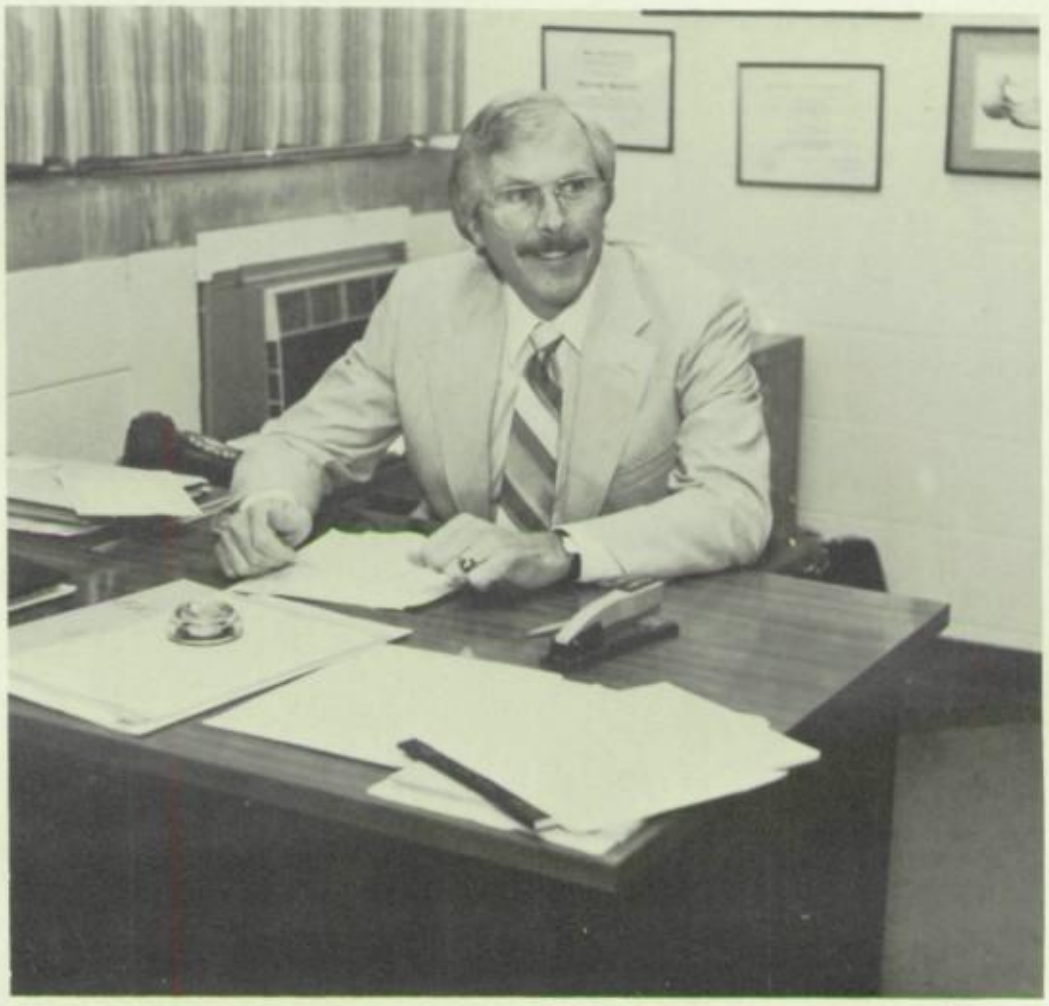
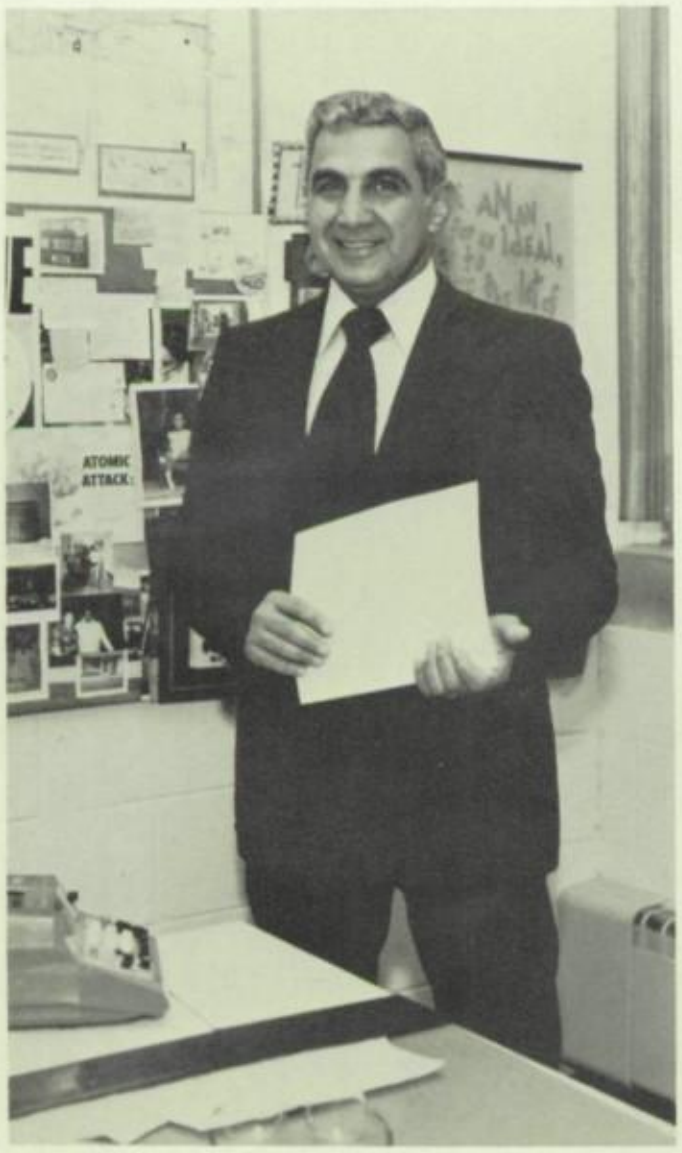
MAIN OFFICE-DEDICATED TO SERVICE

The total operation of Riverside High School is the responsibility of the Main Office. Much time and effort is spent organizing activities and developing a curriculum that best suits the students of Riverside. Of course, none of this could be possible without the valuable help of the two Main Office secretaries who try to handle many of the problems and situations in order to take some pressure off of the Administrators.



ABOVE: THOMAS RAESIDE, Principal.



ABOVE: PAUL BOULUS, Assistant Principal.
RIGHT: MARABELLE MATHISON and LINDA SCHUMSKI, Secretaries.

PREPARING STUDENTS FOR FUTURE

The counselors help make the students of Riverside become self-sufficient as they become older. They also try to keep in contact with the students as much as possible and at the same time counsel them through their high school years. The Guidance Office secretary helps the counselors with their duties and is in charge of the general upkeep of the student files. She, indeed, is a vital element in the continuing performance of the counselors.

IMPROVING SCHOOL THROUGH EFFORT

This year's Student Council was not only ambitious in its plans for the school year, but also successful in carrying those plans out. Not only did the Council bring assemblies back to Riverside, but it also averaged over one community or school related activity per month, thus becoming Riverside's most successful Council in recent history. This success, which has been a benefit to all of Riverside, is due to the enthusiasm of the Class Representatives, the drive of the Executive Board, and the support and guidance of Advisor N. Craig Hathaway.

CLUB INTERNATIONAL SHOWS ITS STRIPES

The main objective of the Foreign Language Club is to prove that a foreign language cannot only be a useful asset, but an enjoyable one too. The members enjoy doing many activities together, many of which take place outside of the United States. In the past, they have visited such places as Montreal, Quebec, and just recently, Mexico. However, any long-time member will tell you that his dream is to go to Europe. While this does not seem tangible to most, they make the best of what they have and learn to appreciate cultures very different from our own. The club is headed by Elizabeth Duncan (Sponsor), Gail Nichols (President), Carolyn Trosky (Spanish V.P.), and Cathy Wojcik (French V.P.).

COMMUNICATION AT ITS BEST

The Publications Department consists of THE REBEL OBSERVER and the SCHOLARIAN YEARBOOK. Both staffs attempted to take on a revitalization of their publications. The R.O., under editor Rob Filipczak, faced a shortage of staff members first semester; however the staff for second semester increased. They also added a new advisor, Darryl Goncharoff, who also doubled up as yearbook advisor. The SCHOLARIAN YEARBOOK, under editor Eileen Tomassini, aimed to add new ideas and techniques to the book. It also collected more advertisements than ever before.

This years' Varsity Club consisted of 24 members. To be a member of the Varsity Club you must have earned a varsity letter and be actively participating in that school sport. Through the year the members participate in several fund raising projects for the club and the school. This money is used to purchase items that are needed in the school. The members also plan activities for the club's own enjoyment. This club has become one of the most successful in Riverside's history due to the help of the club's hard working sponsor.

R.H.S. DRAMA CLUB

The new year brought new officers and new problems and troubles to contend with. This years' Drama Club brought in a new sponsor, Colleen Lough, along with welcoming new officers, Ron Filipczak, Donna Donakowski, and Julie Gage.

Projects attempted and completed during the year included putting on a three act play "The Curious Savage"; and rearranging and cleaning out the backstage area. Hopefully, next years' club will move forward from this year's accomplishments toward even greater success.

During a year of controversy, The Drama Club has had to put up with many problems. The first and foremost being the lack of a sponsor to start the year with. Finally, that problem was settled and the work on the play began. This year the selected play was "A Curious Savage" by John Patrick. The three act play took place in an insane asylum and involved a rich eccentric widow named Mrs. Savage (Julie Gage). Theplot centered around the problem she had with her three children (Matt Speed, Connie Arvidson, and Ryan Gofford). The cast was rounded out with Katy Tyler, Chris Williams, Brian Hagley, Judy Chlipala, Doug Miller, and Lisa Popovich. The final member of the cast, Michelle Gage, had to have been the highlight of the play. The portrayal of her character put a new meaning to the words, "funny" and "crazy".

"HELLO DOLLY" COMES TO RHS

HELLO DOLLY! is the ebullient and irresistable story of the joy of living, glittering with gay songs, shining with happy scenes, alive with the personality of one of the most fabulous characters on the musical stage . . . Dolly Gallagher Levi. In the story, Mrs. Levi tries desperately to marry Horace Vandergelder.

MUSIC FOR ALL AGES!

This very active group operates as a regular class and as an outside activity providing a variety of vocal music in their own and various nearby communities. The project for this year's singers is to perform in the Christmas and spring choral concerts. These performances will be remembered for a long time at R.H.S. The singers desire to become more active in community affairs and their strong will is a promising key for the future.

BAND INCREASES VERSATILITY

The Rebel Band, under the direction of Mr. Greg Nielsen, has accelerated its pursuit of musical excellence this year. While marching and concert band continue to be the focus of the program, the band has also enhanced its versatility with optional participation in after school jazz band and a wind ensemble. The band credits nmew band direction, Greg Nielsen, with the implementation of these new activities as well as renewed enthusiasm for the entire band program.

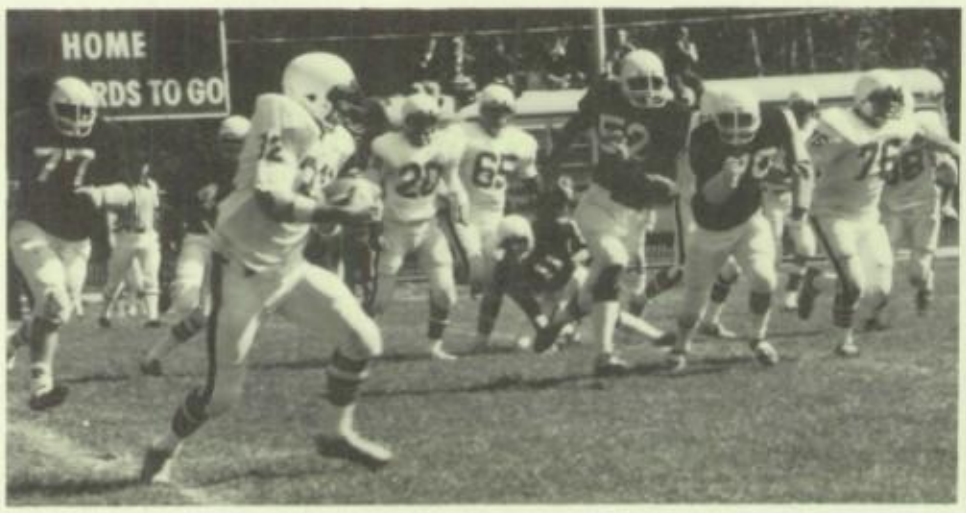
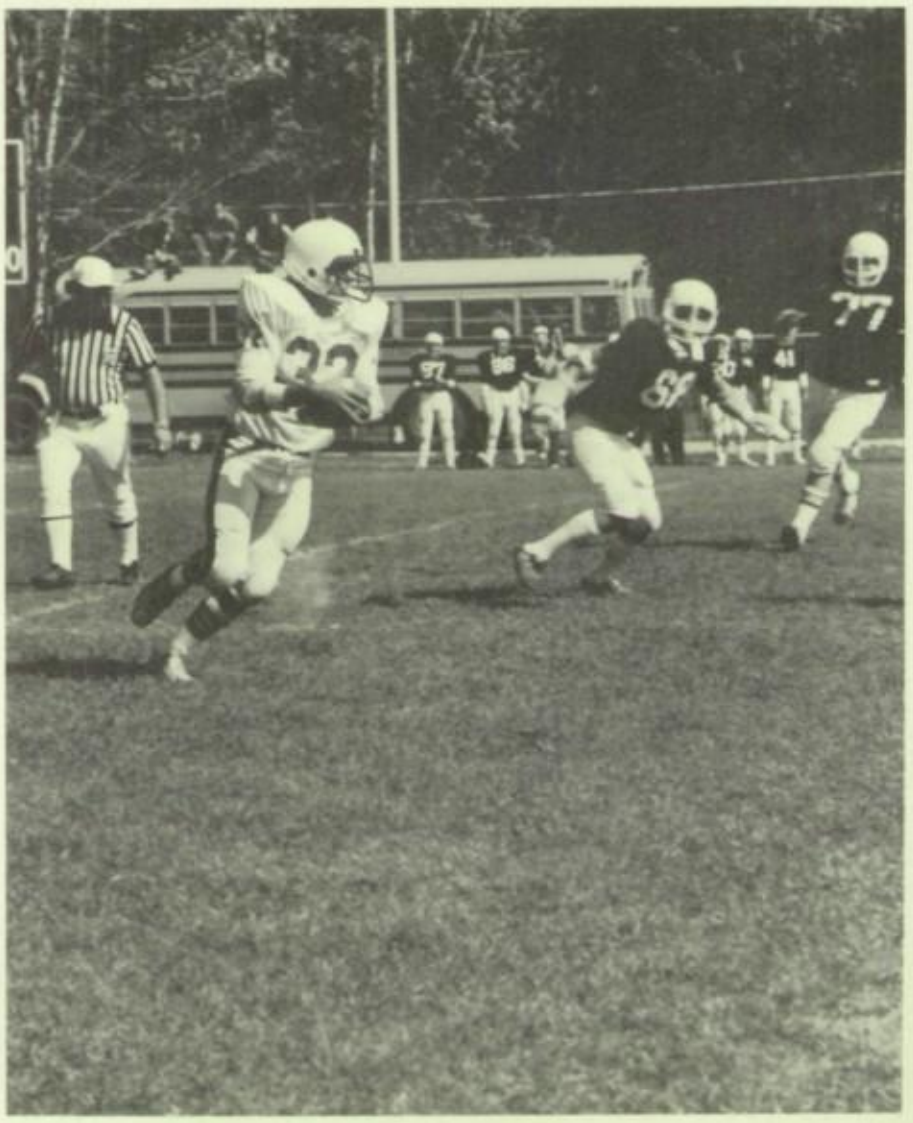
RIVERSIDE STYLE

A SEASON OF CHANGE

The 1980 Varsity Football Team overcame many obstacles this year, such as coaching changes; learning the new coaches' system; and tolerating the long and hard hours of practice. Although the team lacked a number of juniors, the squad was not lacking in experience or desire to win. The main objective was to bring the winning spirit back to Riverside; something which was accomplished. The season was topped off with the win against Schafer 28-8 on Homecoming. The outstanding play of John Rozanski and Chris Billel stand out as a highlight of the season, not to mention the games themselves. Post season honors went to: Chuck Frank: All League; All City; Most Valuable Linesman; Chris Billel: All City; Most Desire; and John Jednak: All City; Most Valuable Player.





1980 REBEL FOOTBALL TEAM: SENIORS: Henry Ayyash, Chris Billel*, Tim Folk, Kevin Harris*, Chuck Frank, John Jednak, John Kennedy, Jerry Kimball, Steve Logusz, Dan Nicholson, Ed Pilachowski, John Rozanski*, Mike Rybka. ADDED EXPERIENCE NEEDED

The Golf Team did not show the improvement expected due to lack of consistency and a take-charge leader. Next year with added experience of present members and the addition of new players, which will create needed intra-squad competition, we should challenge for the championship. As the new coach of the Golf Team, it was a mutually pleasant and rewarding experience to work with each one of these fine youngsters. The most improved golfer was Steve Kilberg; the Best Average was recorded by Dean Glossop, who also received All League-Honorable Mention. The team placed 8th in State Regionals.

TEAM IMPROVES WITH VETERAN COACH

The swim season was one that will be remembered in the hearts of swim fans for a long time. The girls overall record was 3-11. The team had four rookies. Linda Labroff was a rookie to high school competition, but was a veteran in the sport. This was shown when she accumulated the most points of anyone and was given "most points award". Kay deWerd, another rookie, was given most improved award.. Carol Fischer received "hardest worker" award. Marilyn Casper, a first year captain and third year veteran, received her third year letter plaque. Christine Arvidson, third year captain, received her third year plaque and was given "most valuable" award. The 400 yard freestyle relay consisting of Judy Folk, Linda Labroff, Marilyn Casper, and Christine Arvidson captured All-League honors.

ANOTHER TRI- LEAGUE CHAMPIONSHIP

After a disappointing season-opening loss to Southgate, the 1980 Girls Varsity Tennis Team rebounded with eleven straight wins to capture their fifth Tri-River League Championship in six years. The Rebels also took a State C-D Regional Championship, with Martha Tryba (fouth singles), Chris Pichan-Cathy Wojcik (second doubles), Carol Depa-Colleen Welsh (second doubles), and Patty Depa-Patty Sterling (third doubles) each winning their flights. The Rebels edged Ann Arbor Greenhills for the title. At the State Championship with the doubles teams leading the way by advancing to the semi-finals the girls finished seventh. Selected by the teammates for post season recognition were Nancy Varisto (third singles) as most valuable player; Patty Sterling as most improved player; Colleen Welsh as outstanding rookie; and Carrie Murray (second singles) as team captain. Mary Jo Farnin and Carrie Murray were chosen to represent Riverside on the Tri-River All-League Tennis Team.

IMPROVEMENT FOR HARRIERS!

The Cross Country season has to be considered a success from a coaching standpoint. Highlights included: a second place finish in the City Meet; an improved record from last season; a fifth place finish in the League Championships; and the running of Donna Donakowski (who made All State 1st Team for Class C).

Injuries to key people and the lack of depth on the team hurt us during the course of the season. The team was led by the running of Junior, Mark Hunter; and Sophomore Chuck Detherage. The majority of the team will be back for the next season.

A WINNING SEASON FOR CAGERS

The Girls' Varsity Basketball season was truly an exciting and successful one. The girls made several outstanding accomplishments including winning their first game against Taylor Center; winning their first league game against Taylor Kennedy; and achieving six victories overall for the season.

This was the first year for a J.V. Basketball team at Riverside. Regardless of the season's record (1-14), the team did well in the areas of skill development and understanding the game itself. With the desire of the girls, next year indeed looks bright.

CAGERS FINISH AT 9-11

The Varsity Basketball Squad gave all they had but came out on the short end too many times as they lost three games in overtime. The hard fought team finished up with a 9-11 record. Five seniors will be leaving this year; four of the five started throughout the year. One of the most exciting games of the year was the overtime loss to Melvindale at the Pontiac Silverdome.

J.V. BASKETBALL: LEAGUE CHAMPIONS

Being Tri-River Champions, having a 19-1 overall record, being 14-0 in the league, and collecting the most wins for a J.V. team in Riverside's history were some of the accomplishments for the J.V. Basketball Team. Other highlights included a thrilling overtime victory at Cherry Hill to clinch the title. Peter Brewis was leading scorer; Ray Lambert the leading rebounder; and Keith Kindred led the team in assists.

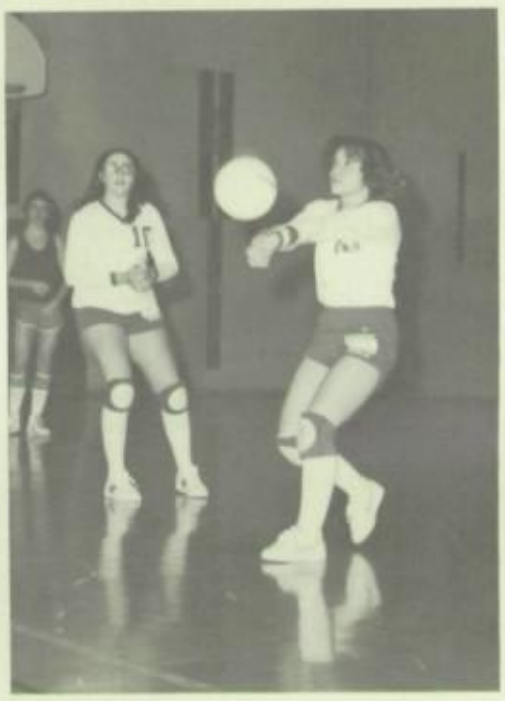
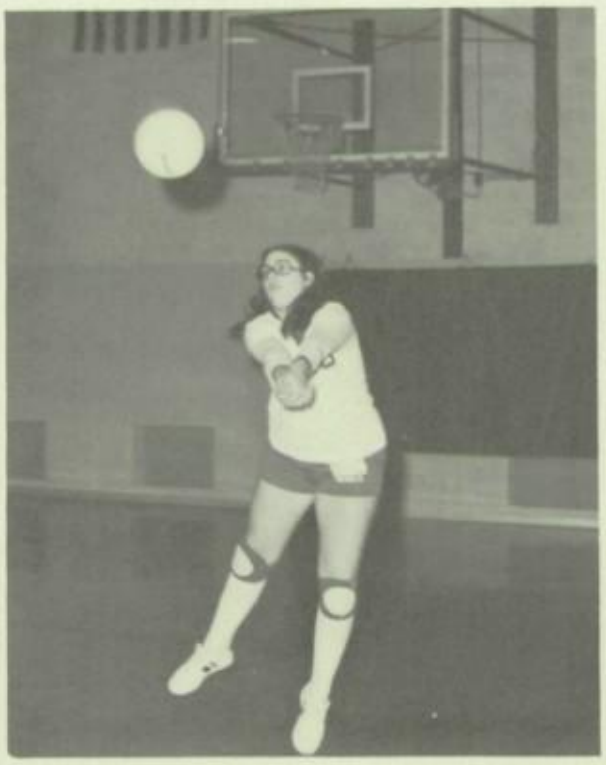
REBELS STRIVE FOR HIGHER GOALS

The girl's volleyball season started on a nopeful note, but never achieved the goals they had hoped for. Sharon Hammerschmidt worked very hard with the girls on their elementary skills. All the girls improved, but as R.H.S. improved so did the other volleyball teams. Many matches were extremely close, but the Rebels could never convert this to a win. There is hope for the future though for there are many talented Freshmen, Sophomores, and Juniors on the team.





VOLLEYBALL TEAM: TOP ROW: Lucy Kon, Nancy Manning, Sue Skrbina, Coach Sharon Hammerschmidt, Chris Arvidson, Denise Williams, Michele Bashista, Vicki Brandt. SMALL BUT POWERFUL

The Boys Swim Team has few members, but the ones who are on the team have great talent. Last year the medley relay consisting of Craig Mason, Tim Folk, Steve Labroff, and Ron Bolz placed 15th in the State Championships and have qualified for this year's State Meet. This year's season also had a very exciting City Meet. Riverside led the entire meet, but lost the meet by one point in the last event; and was runner-up to Robichaud, Ron Bolz has showed his strength by being voted Most Valuable Swimmer in the City Meet and in the Class C-D Invitational Meet. With the support of the school, this squad could possibly win the Tri-River League.

LACK OF DEPTH HURTS

The Varsity Baseball Team won 2 and lost 17 this season. They played far better than their record indicates. They started out slowly their first three games. Then during the middle of the season, they played their best ball. They lost a lot of close ball games including one run losses to Robichaud, Annapolis, and Crestwood in extra innings. They beat themselves most of the time with errors and bad running. Their lack of depth at pitching hurt them the entire year. They lost 8 seniors through graduation, but the J.V. team has some good ballplayers coming up to build on in 1981.

DESIRE TO LEARN, KEY TO THE FUTURE

The 1980 J.V. Baseball season at Riverside, could be considered successful despite a 6-10 record. The biggest step taken by far was that the team learned how to win. The team found that winning took more than pitching and hitting, but a concentrated effort by each individual for a full seven innings. The team consisted of eight freshman starters, and only one returning player. The future of the J.V.'s looks good due to the desire to learn, and their attitude which will help them to succeed in learning the game and their production.

WORKING TOWARDS A BETTER FUTURE

Coach Hammerschmidt felt that the year was definitely a learning and growing year for the girls. Though the scores don't show it, they were in most of the ball games. The team did not win many ball games, but there isn't a single team that could top them in spirit or in maintaining a positive attitude. A much brighter season is expected next year. Sandy Skrbina was the only player named to the All-League Team. Lori Tomiuk, Michelle Gage, Nancy Manning, and Linda Sauchak all received Honorable Mentions.

OUTSTANDING SEASON FOR NETTERS

The 1979-1980 Tennis Squad, comprised mostly of juniors and sophomores, surprised everyone including themselves. They started the season with a band and reeled off seven victories. Led by Leon Paesani, who went through the regular season undefeated, the team finished the season at 13 and 3. Leon and Greg Sauchak were selected by the coaches to represent Riverside on the Tri-River All League Tennis Team. Leon was also selected as team captain and most valuable player. Greg was chosen the outstanding rookie; and Bill Osip was voted the team's most improved.

IMPROVEMENT HELPS THINCLADS

Improvement was the key factor for this years' track team (1979-1980). The team not only improved its record, but also bettered times and distances in 11 out of 16 events. The team also saw an increase in participants which helped to increase our point total from 153 points last year to 273 points. Next year shows even more promise with 10 returning lettermen.

FALL CHEERLEADERS SHOW THEIR SPIRIT

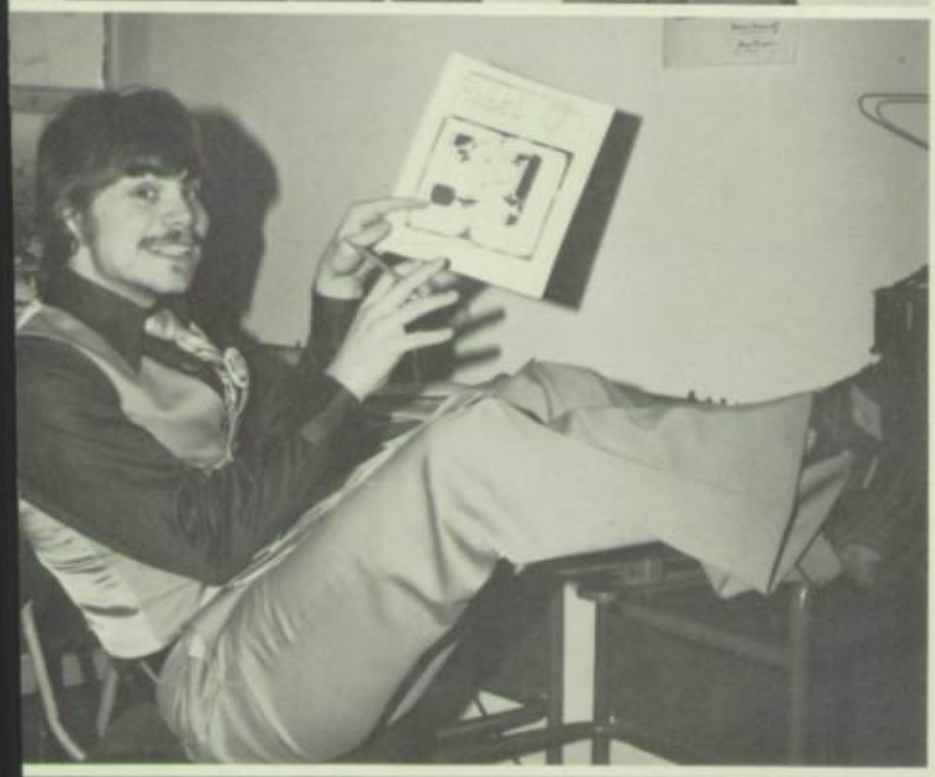
This past summer, the Varsity Cheerleaders (Football Squad) attended thePep America Cheerleading Camp at Oakland University. Along with gaining new friendships, and a chance to meet some of the Detroit Lions, the girls brought back a trophy for "Most Enthusiastic Squad." The girls have been responsible for many activities such as; the nicest legs contest, the annual spirit chains, pep-rallies, and, of course, boasting school spirit. All of the activities, plus a lot of hard work are what cheerleading is all about.

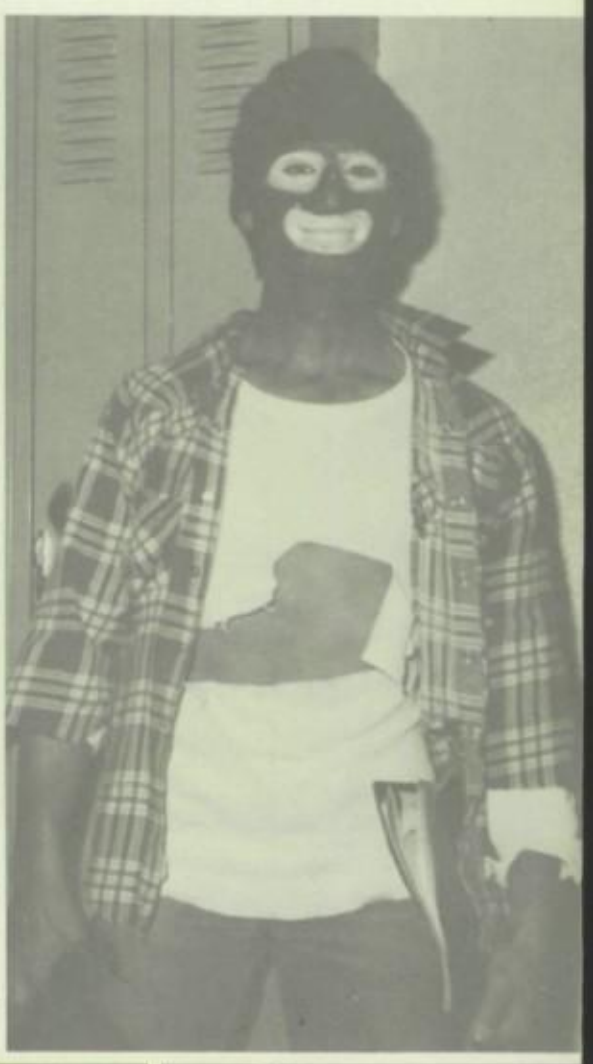
FRESHMEN CHEERLEADERS: Karen Casey, Lisa Scott, Sara Frankowicz, Kimberly Casterline, and Cheryl Moncrief.

VARSITY CHEERLEADERS: Donna Boyduy, Annette Gibson, Kelly McCarthy, Nancy Manning, Kathy Moriarty, Michele Zielinski, and Jean Skrbina.

JUNIOR-VARSITY CHEERLEADERS: Teresa Brewer, Patty Close, Janice Flores, Holly Perry, Kathy Barlow, Margie Alestra.

SPIRIT WEEK





M.I.E.S.

M.I.E.S., started in 1928, has brought 53 years of honor to the industrial arts students of Michigan. The purpose is to recognize the achievements of the students. Anyone in grades 7-12 and enrolled in an industrial arts course can submit an entry in any of the 12 categories. This year's Regionals were held on March 27, 28, and 29 at Garden City West High School; and our own Mr. Brama was the Regional Administrative Officer for the fair. Anyone who gets a first or second in the Regional goes onto state competition, which was held in the Grand Rapids Civic Auditorium on April 9,10, and 11.

REVOLUTION (words and music by John Lennon & Paul McCartney)
You say you want a revolution
Well you know . . . We all want to change the world
You tell me that its evolution
Well you know . . . We all want to change the world
But when you talk about destruction
Don't you know that you can count me out!
Because you know its gonna be . . . Alright!
You say you've got a real solution
Well you know . . . We'd all love to see the plan
You ask me for a contribution
Well you know . . . We're all doing what we can
But if you want money for people with minds that hate
All I can tell you is brother you'll have to wait
Because you know its gonna be . . . Alright!
You say you'll change the Constitution
Well you know . . . We all want to change your head
You tell me its the institution
Well you know . . . You better free your mind instead
But if you go carrying pictures of Chairman Mao
It ain't gonna make you with anyone anyhow
Because you know its gonna be . . . Alright!

JUNIOR CLASS OFFICERS

The junior year is probably one of the most hectic and eventful years the class officers will ever have. Not only are they responsible for representing their classmates, but they must also keep them well informed of events and activities happening around the school and encourage class spirit and participation. The officers must also organize their Homecoming float and locate the many materials needed to make their float special. Lastly, they have the huge responsibility of organizing te Junior-Senior Prom. They must decide where it is to be held, handle all arrangements, and then raise money to cover the huge expense that follows. Despite all the hassles and worries involved, it is a very worthwhile experience.

SOPHOMORE CLASS OFFICERS

The Sophomore Class Officers have the responsibility of promoting class spirit and participation. Involvement of the students is their main concern, but they also have many other duties to perform throughout the year. During Homecoming, they must decide on and organize an idea for their float and then supervise its construction. In addition, they must raise money for the various expenses that can arise. They do this by holding dances and car washes, two of which are quite successful. These responsibilities give them a limitless sense of leadership and pride in their class; not to mention, a learning experience that will never be forgotten.

FRESHMEN CLASS OFFICERS

Most people do not realize that being an officer is such a difficult job. One must be dedicated, responsible, and willing to contribute as much as he can to his position. Motivation and participation are often low and it is their responsibility to make sure everyone gets involved. Although they are sometimes unsuccessful in their efforts, the freshmen officers try their best to make their year special and to gain knowledge and experience for future years.

THANKS FOR YOUR WISDOM

Clark Oldenburg has been here longer than any of us can remember, and what made his years here at Riverside special was that he didn't have to be here. He wanted to be a teacher, and he wanted to share his experiences. Some days it seemed like there was no one he hadn't met, no question he couldn't answer, and nothing he couldn't do. Mr. Oldenburg will be missed at the prom and other social functions around the school, but he will be missed even more so in the classroom.

Good luck to you and your family.

Time cannot steal the treasures

MAY THEY HAVE ETERNAL PEACE

GRIEF

I tell you, hopeless grief is passionless;
That only men incredulous of despair,
Half-raught in anguish, through the midnight air
Beat upward to God's throne in loud access
Of shrieking and reproach. Full desertness
In souls as countries lieth silent-bare
Under the blanching, vertical eye-glare
Of the absolute Heavens. Deep-hearted man, express
Grief for thy Dead in silence like to death ---
Most like a monumental statue set
In everlasting watch and moveless woe
Till itself crumble to the dust beneath.
Touch it; the marble eyelids are not wet:
If it could weep, it could arise and go.
